My dear Mrs. Mitchell:

It is a real pleasure wo write you at this time. The Bethune-Cookman Campaign Headquarters are located at 819 North Sapodilla Street, in the office of the Central Insurance Company. Mr. Alexander is the manager. I am pleased with the location and set-up as a whole.

The Bethune-Cookman Club of West Palm Beach held a most interesting meeting Monday night at Mr. George P. Coleman Funeral Home. Thirty-two persons were present, included were doctors, professional and business men and women. Each sponsor selected one person from the group to guide his activities. I fixed our goal at $1,000.00, with ten sponsors functioning. I feel that we have an excellent line-up. You should have been here to hear them sing the song of victory. The drive will close July 15th.

Kindly forward my mail to the above address. I am enclosing a requisition for stationery etc., which I hope you will fill at the earliest possible time.

I have made talks at practically all of the prominent churches, also the Afro-American and Central Insurance Companies. The managers of the companies: Mr. Baker and Alexander, respectively, both pledged me their unstinted support. Mr. Bodie, Editor-in-chief of the "Florida News", Negro paper here is co-operating nicely our articles. Dr. Tefrell is very eagertistic to prove to the other sponsors that his group will report its hundred dollars in our first Pep meeting. Rev. Burns, pastor of the Methodist Episcopal Church has warmed up nicely after a little delay.

Give my regards to Eloise and any one inquiring of me. Kindly inform of our set-up. I shall write him later on during the week.

Sincerely yours,

Ethel L. Richardson

My dear Mrs. Mitchell:

Thank you very much for your interesting letter of recent date. This leaves me fine and still plucking away.

On request of entertainers in the Style Show, the date for this affair will be August 10, 1938. This does not altogether conform with my wishes but it could not be helped. I shall be in Daytona Beach on the 11th or 12th of August. I must go home for a few days, this is important.

I received a letter from Mr. Simpson today requesting that I be at the College not later than August 5th. I am also writing him in this mail.

Thanks for the information given me regarding Mrs. Bethune. I am sorry that my letter missed her. I should like very much to talk with Mrs. Bethune. When will she be in Daytona Beach again?

The Florida State Tennis Tournament is in full swing now. There are quite a few out-of-town people here for this meet.

The Style show is coming up fine. The people here apparently have a fascination for this type of entertainment. We are having novelty acts between the scenes. We are having daily rehearsels at the Grand Theatre. Mr. Hetch, manager of the theatre and Miss India Holmes are the directors for the show. I will get 40% of the gross proceeds from show. The theatre is furnishing advance tickets, bill board and markee advertisements.

Love to Marshie and Eloise.

Sincerely yours,

E. L. Richardson

My dear Mrs. Mitchell,

Thank you for calling my attention to the matter of keeping you informed of our campaign activity in Jacksonville. I was of the opinion that Mr. Simpson would give you the details of my setup here. No doubt you can appreciate that definite plans for a campaign is not completed until the proper connections are made on the scene of the place to be worked. When the organization is completed, I shall be glad to send you a copy of the same.

I understood that it was all right for me to leave the campus for my work here on your return from Kentucky. On learning of your arrival in Daytona Beach, I immediately made arrangements to leave. Eloise was left in direct charge of the office, and I knew that she would advise you of things in general.

Mrs. Bethune was unquestionably at her best Sunday during the Corner Stone laying in the A. L. Lewis Branch of the Recreation Center here. I talked with Mrs. Bethune and Mr. Simpson at length.

I regret exceedingly to learn of the destruction of McLeod Hall by fire. I hope that it means a stepping stone to a greater edifice.

Our campaign setup here is taking form nicely. We are having our first pep meeting Thursday evening, September 22, at the Jacksonville Negro Welfare League.

Sincerely yours,
E. L. Richardson

My dear Mrs. Mitchell,

Enclosed you will find a roster of the Bethune-Cookman Campaign. I have just received official notice from the Charity Solicitations Commissions, through its chairman, Mr. L'Engle to precede with our campaigh, which is now under way.

I have met with several civic clubs, sororities and church groups during the past ten days in the interest of th campaign. I addressed a prominent group of white friends at Snyder's Methodist Episcopal Church, last Wednesday evening, at the request of the pastor, Rev. D. H. Rutter. I feel that this contact will prove beneficial during the campaign.

Please rush the order that I filed with Mr. Simpson for stationery and literature. I cannot make any progress until I receive these items. Instead of getting out letterheads for this effort, the committee suggested that we get. a rubber stamp, whihh will cost $1.10. I am also including a copy of order

I must hit it hard now, in order to get the best results. I am depending upon the cooperation of your office there in helping me to get reasonable action on orders. Kindly list the names of the Jacksonville concerns with whom the school does business.

I hope everything goes well with you.

Sincerely yours,
E. L. Richardson

BETHUNE-COOKMAN COLLEGE
ARCHIVES

July 29, 1942

Mr. John L. Way
171 Bloomfield Avenue
Hartford, Conn.

My dear Mr. Way:

May we thank you for your prompt and favorable reply to our appeal for help. It was gracious, generous and kind of you to send us a contribution. We want you to know that it has come at a time when we greatly need the encouraging help of our friends.

It is so difficult to secure funds for an enterprise even as worthy as ours in the face of so much suffering elsewhere. And yet, we must continue this much-needed service. We must not lose what we have fought so hard to build.

I feel that we are justifiably proud of the record that we have here. This College has grown as the result of the confidence and help of friends like you, who caught the vision with me thirty-eight years ago, and helped to make my dream a reality. Please know, Mr. Way, how much we appreciate your friendship and your help at a time like this. Negro boys and girls need everything they can possibly secure in training and preparation for defense in this war-torn world. Our expenses must go on, of course, and while students do their best, their payments fall far short of the total cost of maintaining the Institution. We just must turn to friends of this Cause, in days like this.

Please continue thoughtful of us and prayerful for us. Use your influence in our behalf whenever possible.

Sincerely yours,

Mary McLeod Bethune.

Fundraising

For 22 years Bethune-Cookman College has been offering superior educational facilities to young people who are seeking Christian intelligence. It was founded by Mary McLeod Bethune, who started the work with five little girls, $1.50 in Cash, a desire to serve her people, and a firm faith in God.

The school has sent out hundreds of representative young men and women who are doing splendid work all over the country.

With the larger program comes increased responsibilities. Financial assistance is greatly needed. To do the best work we must have the best equipment, the best teachers, the best plant. We MUST have an Endowment.

Give all you can—Pledge more.

Dear Madam; On Nov. 12 I received your official receipt for $15.21 the contribution for the publicity Quintette which recently appeared here. Would it be possible for this Methodist church locally to have a World Service voucher for this amount? I understood one of the ladies of the Quintette to say that this is done if it is requested. Of course this would help us in your missionary apportionment and I am sur that a greater friendship between your college and my people co[illegible] be created if "World Service " credit could be given.

Dear Mrs. Fulton:

I was ill and in bed when your check for four hundred dollars came. I can never tell you just what this gift meant to us. We have been so desperately in need of maintenance funds during this year. Your generous gift seemed Heaven-sent.

May God bless you for your confidence in the work we are attempting to do here. The important service of training Negro boys and girls for life and citizenship is greatly needed at this time. The struggle is difficult but we cannot stop now - we cannot jeopardize the accomplishments of all of these years. You can see, therefore, just what it means to have friends during this strategic period. Students are not able to assume the cost of their education, although they do their best.

I do hope that you were able to have your business handled in a satisfactory manner.

Please keep in touch with us and if you are ever in this section, please visit our Institution.

God bless you.

Sincerely yours,

Mary McLeod Bethune.

Dear Madam,

I was so glad to receive your kind letter and will act on your advice to talk with the cashier, just now the bonds seam to be held up because of some one's mistake in spelling Mr. Fulton's name. Calvin was spelled Calvan we made affidavit that they are both one and the same and hope to hear that all is well soon.

Dear Madam,

at the sale of our small ranch my husband and I made out several U.S. savings bonds. Last June my husband slipped away from us, aged 82 years, he made a perfect will yet all must be probated, lawyer says. I've been trying to get these bonds changed to read - to "Emma Fulton till death" then the names of our children.

Well the Reserve Bank at S.F. where the business must be transacted, hasn't yet gotten the bonds changed.

2/ too busy perhaps, and I just wonder if I can get one of the bonds $500, cashed now, it would amount to something like $380 I think. I meant one of the bonds to be made out in your favor but now since war is on do you think this would be better way or what?

I am so little acquainted with business naturally dull, maybe, so I'm asking you for advice,

Would the bank ask for a slice off for cash,

Yours truly.

My dear Mrs. Fulton,

Thanks for your letter.

I am so sorry to know that your husband has passed away and I hope that the comfort and peace which comes from above will abide with you during the days of re-adjustment.

I have noted carefully what you have said about the bonds, and I would advise you to go to the Bank and have a talk with the Cashier - tell him what you want to do and find out what proposition he can offer you. I am sure he will give you the right information. The war conditions may cause a slight reduction in the valuable of the Bonds, however the Banker should give you any information as to the cash value of each Bond. It is very kind of you to think of having one of the Bonds made out in our favor. We would be most grateful for any consideration given us.

If there is any further assistance I can give you, I will be happy to do so.

Wishing for you the choicest blessings of the New Year, I am

Sincerely yours,

Mary McLeod Bethune.

Dear Friend. I was glad to receive your good letter but very sorry you had been ill - Im hoping praying: your good life may continue these many years. so that your good work may be kept up..

I had hoped to send the \$5.00 check but must beg off for the present, just sending you a small reminder hoping maybe events will conspire so we can send the other \$5-0. sometime.

I don't do any thing to support myself, sometimes wonder why the dear Lord leaves me here to get in other folk's way. but that's His affair. not mine,

I sew some, Do you ever use patchwork quilts: the biggest part of my work is piecing quilts. I have great cause to be thankful for good health. Praise God from whom all blessings flow. God bless you all,

Sincerely - Mrs Emma Fulton. Garfield. Wash.

Winterset, Iowa

My dear Miss Campbell:

Bless you for your continued interest and warm friendship. For all of these years it has meant so much to have the active support of friends like you.

You have been so kind to us. Your recent contribution of one hundred dollars brought tears of joy in my eyes. It is so difficult to secure funds for an enterprise even as worthy as ours, in the face of so much suffering elsewhere. And yet, we must go on. We must not lose what we have fought so hard to build. Negro boys and girls need everything they can possibly secure in training and preparation for service. We are coordinating our program with National defense and industry, opening our doors to younger boys who are not yet called by the draft, running classes six days a week, sponsoring defense trades' instruction twenty-four hours a day - everything possible to help our students meet the present emergency facing the country. Our expense must go on, of course, and while students do their best, their payments fall far short of the total cost of maintaining the Institution. We just must turn to friends of this Cause, in days like this.

May God bless you, inspire and keep you.

Sincerely, gratefully,

Mary McLeod Bethune.

My dear, dear Friend,

Your beautiful letter, together with your check for fifty dollars came as a real blessing to us. God bless you my friend for this additional gift. When it was placed before me, my eyes were suffused with tears of gratitude. It was so much needed.

I noted carefully what you said about making patchwork quilts - our girls are taught in our Home Economics department how to make quilts, and we will be very happy to receive any suggestions or anything you may send along this line. I would like to see some of your work - it may give our girls some ideas.

I am very much better, but still far from well. I hope, however, since it is getting warmer, that I may be my old self again.

Continue to be thoughtful of us and prayerful for us.

With best wishes,

Always gratefully yours,

Dear Madam:

Again I come to you for help. Last year I wrote you concerning my education. You answered and told me that your school was not high school. I am still striving to get an education but the way is dark. I am writing you because I know you are prepared to help me.

Last term my sister and I had to repeat our grades because my parents were not able to send us to another school. Our school here in Newton goes only through the ninth grade

I began to write plays and poetry when I were nine years old. Everybody told me I would never be a successful writer. This discouraged me greatly. I stoped for a while then started again to write. I have composed two composition books of poems. I have written a play also.

One day I saw an advertisement for original poems. I sent two of my poems to Richard Bros. They wrote me if I sent $83.00 they would compose music to my poem and secure for me a United States Copyright. I am unable to send the money. I prayed over it and in a dream I saw you beckoning me onward. I read your life. It encouraged me very much. The next morning I wrote a poem concerning what I dreamed.

Won't you please help me Dr. Bethume? I'll always stay in the depth unless some Christian as you help me through the darkness. I am sending you the poem. I have several like this. Please help me to go through.

Yours Truely
(Miss) Katherine Carter

My dear, dear Friend:

It is so good of you to continue your warm interest in the work of Bethune-Cookman College.

I can never tell you what the confidence and help of friends like you have meant to me during these years of struggle. Truly, much good has been done, and with His guidance, it will continue.

We feel that Mr. Colston will make a far-sighted, conscientious leader for Bethune-Cookman College. He has taken firm hold of the work and is infusing into it the progressive ideas that are so much needed. He is a young man of spirit and of vision and we pray for marvellous growth of the College under his direction.

Please, dear friend, continue prayerful for us. Just know that your contributions of love and of money are doubly welcome. Your gift of twenty-five dollars at this time, meets a real need in our maintenance budget. It is difficult for this school and other schools of its type to carry on during these serious days.

With sincere good wishes,

Gratefully yours,

Mary McLeod Bethune.

My dear Miss Campbell,

May we express our sincere gratitude to you for your interest in Bethune-Cookman College and for your contribution of $50.00. We enclose official receipt for this amount.

Your contribution brings encouragement as well as material aid to the college. We feel so grateful to you for this indication of your continued interest in the work we are trying to do here. We could never continue this much-needed service of training Negro Youths without the confidence, good-will and cooperation of friends like you. We are having a difficult time meeting maintenance needs and every contribution large or small helps a great, great deal.

We are earnestly requesting your continued interest in our Institution. Please use your influence in our behalf whenever and wherever possible.

With best wishes,

Dear Mr. Freeman:

Thank you for your kind invitation to speak at your Young Men's Christian Association in the celebration of your Spring Program.

I regret very much that it will not be possible for me to accept your invitation. Due to the heavy responsibility of my work here at the college, I cannot make any speaking engagements at this time. I am sorry I cannot serve you and hope that when my load is lighter it will be possible for me to do some of the many things I desire to do now.

Best wishes for success in your efforts.

My dear Mrs. Bethune:

I thought I would have been down that way again this year. The madam and I enjoyed ourselves so much when there last year, we both promised ourselves that we going back. But one can never tell what is in the future.

We were down there last Thanksgiving but this year Mrs. Frazier was in bed with the doctor coming in every day.
That also might explain why we haven't been able to do so much for you . But please don't be discouraged because you are one of the largest beneficiaries in my will.

I am glad you found a man for president. Hope he's proving himself to be the right man.
I have just sent him an order for nineteen fruit cakes, sixty six dollars.
If it will mean anything towards financing the school I am very happy to do it.
I am also enclosing here our check for $100.00

Mrs. Frazier joins me in kindest regards to you and yours,

Respectfully yours,

Thomas Frazier

BEAUTY ASSN. GIVES $1,900

Amid a roar of applause that is seldom excelled at any public meeting, the United Beauty School Owners and Teachers Assn. laid more than $1,900 in cash on the table as a gift to Bethune-Cookman College. Representing every state in the Union with delegates at the height of their professional training, the group came to Daytona Beach and Bethune-Cookman's campus to hold their first National Convention.

Addressing the group before a large audience at Allen Chapel A. M. E. Church, Dr. Bethune pointed out the [illegible] of Negro women in many fields, and lauded the group for its part in the training of Negro men and women in the intricate art of beauty culture. These women are not mere beauty operators, but owners and teachers of the profession.

At the conclusion of an elaborate program headed by Mrs. Marjorie S. Joyner, national president, loud praise was expressed for Bethune-Cookman College and its expanded program. It was here that $1,640 was presented to Dr. Bethune for the school and a purse of $300 as a gift of gratitude to her.

It is the aim of this group to build a dormitory for girls at Bethune-Cookman College. And it is to be noted that the spirit and enthusiasm of this national organization is to bring this aim to pass. The local operators of Beauty Salons entertained the association on Saturday evening.

The meeting in Tampa was not at all interesting. The sudden death of Mr. Stubb C. Pughsley caused a great unrest in the city. I will have to visit the city again. I am sure that Tampa will respond at the second calling. I sent out postal cards announcing the meeting. The folk in Tampa are more interested in other things. I am sure however that Tampa will make a good report in the next meeting.

Date of Purchase SEP 29 1945 *Order No.* 15169

We shall notify you each time a new list of this classification is ready and recommend that you purchase it as often as revised, for the value of the new names and the importance of keeping your records up-to-date.

TERMS ON WHICH LISTS ARE FURNISHED—*The Nature of the Goods* which we sell necessitates the terms under which we operate. In fairness to all concerned we cannot make exceptions. Please send remittance with orders requiring special compilation or copying, and we will forward charges paid. If lists are ready we will forward C. O. D. by first-class mail. These terms apply to all orders for lists, irrespective of the responsibility of the buyer. They are accepted by the largest financial institutions and commercial houses in the country. *If you send cash, please register your letter.* We do not exchange lists nor accept their return.

On the Subject of a Guarantee — We do not guarantee any list to be entirely accurate or complete. Every large advertiser knows the difficulties encountered in the preparation of mailing lists and a little reflection upon the changes occurring daily throughout the country will bring to you the realization that a range of accuracy from 95% to 98% on business classification in general is all that can be expected. Certain lines, such as Barbers, Shoe Repairers, etc., do not reach that standard. Orders are accepted by us with the understanding that, for the sum agreed upon, we will endeavor to meet your requirements as closely as possible. The value of any list is determined by the results from its use and a guarantee of accuracy is secondary to the productive qualities of the information furnished.

Postage Rebate on Matter Not Delivered by Post Office—No definite guarantee is made by us, but we offer the usual protection when the returns are excessive. Here are the conditions: *First*—Any claim for rebate should be accompanied by the original envelopes sent back by the Post Office. *Second*—Envelopes should be forwarded to us within one month from date of purchase and cover entire selection comprised in order. If you will do this, a rebate of from one and one-half to three cents each based upon the class of mailing used by you will be allowed on returns in excess of a reasonable percentage, and that percentage varies with character of names used. Full amount of postage on heavy catalogs, samples, etc., cannot be considered, nor the cost of labor involved, value of stationery or enclosures. If the list is circularized a second time before correction, no rebate is allowed on the duplicate returns. Rebate is given only on lists covering the United States.

Miss Clay has requested the following material for the drive:

She would like to have the use of the bulletin board that we have down stairs, thumb tacks, names of all students on the small card board slips that she had before. The denominations of money on the large card board slip, running the width of the bulletin board as follows:

0 to $0.25
$0.25 to 0.50
0.50 to 0.75
0.75 to 1.00

2.00 to 3.00
3.00 to 4.00
4.00 to 5.00
5.00 to 10.00

To facilitate matters, it would be desirable to use our present bulletin board down stairs. In order that we might get this matter out

Dear Mr. Griffin:

One of the methods we employ to help relieve Mrs. Bethune of the great task of raising funds for the maintenance of Bethune-Cookman, is the Annual Students and Teachers Rally. You are familiar with this effort, for you have been kind enough, in previous years, to help the school through this medium.

During the period of the Rally, we double our efforts to find new friends to help with their influence and their means, and to request old friends to revive their interest and confidence.

We solicit your continued interest, Mr. Griffin, and as we are now in the midst of the 1939 Rally, we also solicit a contribution to our maintenance budget. Donations made payable to the College, in any amount, will be gratefully received. They will bring encouragement to Mrs. Bethune as well as help to the school. Please permit us to include your name on the list of contributing friends.

May we extend to you and Mrs. Griffin a warm invitation to attend some of our Sunday afternoon community meetings this year. The musical groups are rendering very good programs, and we feel that you both would enjoy them.

Sincerely yours,

Office Director.

My dear Mr. Shanley:

One of the methods we employ to help relieve Mrs. Bethune of the great task of raising funds for the maintenance of Bethune-Cookman College is an "Annual Students and Teachers Rally." The enclosed leaflet will give you an idea of this effort.

During the period of the Rally, we double our efforts to find new friends to help us with their influence and their means, and ask old friends to revive their interest and confidence.

We know of your interest in the College and request its continuqnce. We are now in the midst of the 1939 Rally and we would greatly appreciate your aid. Donations made payable to the College, in any amount, will be gratefully received. They will bring so much encouragement to Mrs. Bethune, as well as aid to the school. Please permit us to include your name on the list of contributing friends.

May we extend to you and Mrs. Shanley a cordial invitation to attend some of our Sunday afternoon community meetings. A very entertaining musical program is offered and we feel that you would enjoy it.

My Dear Patron:

As you may already know Bethune-Cookman College has almost no endowment, she receive no state support, and receives less than $2000 per year from the Methodist Church. We have fewer than 60 students who pay thier tuition, these few pay less than half of the actual cost for 1 years education. This means that Bethune-Cookman gives aid to all of her students and has on her payroll 3/4 her students as work students. Our annual expenses are $85,000. We get our support largely from philanthropic people.

Each year we stage a student teacher rally in which we attempt to raise $5000 of this amount ($85,000). We ask each student to raise the small sum of $5.00 by soliciting and gifts from parents, friends and organizations. Since your child is here in school and cannot give the money out of his pocket will you contact his church, social organisation and friends and raise for him no less than $5.00 by January 15, 1941.

We are giving a prize of 25 cash dollars to that individual who raises the largest amount over $25.00. Help your child to win the $25.00.

Send all money to the Treasurer of Bethune-Cookman College. Please send us the names of influential and wealthy people whom you think may help us.

Will you become and annual donor to Bethune-Cookman College? Give yearly $1.00, $5.00, $10.00, $25.00, $50.00, or $100.00. Please indicate how many dollars you will give us yearly.

If we could get each family in Florida to give us $5.00 per year we could run a 4 year Standard College without begging. Will you become a permanant Sponser of Bethune-Cookman College by giving us the small sum of __________ dollars.

Please let us hear from you on this. Your child is depending on you to help him raise his money. Please help your child to respond at the roll call January 15, 1941.

Student-Teacher Rally

November 26, 1940

My dear Friend:

Bethune-Cookman College is launching its 36 annual Student-Teacher Drive. Our goal this year is five thousand dollars ($5000).

Our need is very urgent; most especially so because of the recent illness of our President who was sick from April until September and was unable to raise funds as she has done in previous years. In this our need will you help us.-

As you may know there are anly 3 colleges in the state that are noted by the Southern Association, Florida A. and M. College, Florida Normal and Bethune-Cookman College. We are struggling to raise our rating to a standard 4 year college. In order to do this we must have money. Will you help us to this rating by giving us your good will, your influence among your friends, your aid as sloicitor, by sending us the names of influential people may help.

We are asking you to keep Bethune-Cookman College on your budget giving us a small sum of $5.00 per year. This will be less than 50 cents a month, less than 12 cents a week, less than 2 cents a day. This small sacrifice on your part will give to the poeple of Florida another rated 4 year Standard College, which they so badly need, and will give to hundreds of boys and girls the opportunity that they may fail to receive if Florida does not afford them a school to attend. All of the students of Florida cannot attent Florida A. and M. College it is not large enough to held them.

It is a favorite saying among other races that the, "Negro buys what he wants, and begs for what he needs," Help us to change this statement.

Will you be loyal enough to the Negro race, to the people of Florida, to Bethune-Cookman College, to yourself and your posterity to send us the small sum of $5.00 by January 15, 1941.

You may send this in small donations or all at once to the treasurer, Bethune-Cookman College, Daytona Beach, Florida.

Let us write your name in the Golder Book of the College for the year 1940-1941. We will publish in our School paper and Bulletin the names of all donors. May we write your name?

MINUTES OF B.C.C. COMMITTEE

for

FIVE THOUSAND DOLLAR DRIVE

Bethune-Cookman College
Daytona Beach, Florida
February 21, 1941

Library - 7:15 O'clock

In response to a call (card) inviting the local representative citizenry to spent one hour with her, Mrs. Bethune opened a meeting with fifteen men and thirteen women in attendance.

After an expression of appreciation was made for response of those attending, the purpose of the meeting was stated thus: We are gethered together

Purpose: To talk about B.C. C. The president stated that the experimental stage of the school had passed. The time has come when the meaning of what the school is and what it is intended to do must be understood by all. The influenceof the school in the community and an evaluation of what is and has been done is necessary at a time like this.

In order to stimulate thinking, questions like:

1. Would the citizenry miss the school if it should close?
2. How and where would it be missed most?
3. What does it afford the community?
4. What does it do that the community would miss?, were asked.

School community contributions were cited by Mrs. Bethune:

1. There is approximately $85 to $90,000 a year spent in the community.

2. Because of the school, approximately six hundred (600) celebrated people come to the community, who would not otherwise be

in Daytona Beach.

3. Educationally it has given to Daytona Beach, 70% of the high school teachers.

The fact was driven home that the school is a gift to the Negro Race and pride, through the efforts of Mrs. Bethune, friends and the local citizenry. At this point, Mrs. Bethune announced her intention to resign the active presidency of the college. She expressed appreciation to friends who had helped in making the institution a reality. The group was urged to think seriously. Reference was made to the present status of her health. She feels that after 36 years the burden is too heavy. The actual leadership of the college is to be handed to another. The time has come, because of her strength, when she must needst push rather than pull.

Retirement is asked March 5, 1941. This does not entail a complete separation from the college. Mrs. Bethune urged us feel that, that the school must and will live when she is gone (dead). She had done her best as a christian, a mother, a teacher and a friend to mankind.

The financial status of the school was fiven. There is no indebtedness except current bills and a $1400.00 note. By June 30, 1941, these bills will be paid, if a little help can be obtained from the local Negro citizenry.

At this point the meeting was interrupted to pay tribute to President Nathan W. Collier, whom God had priveleged to serve for fifty years as the president of Florida Normal Institute in Saint Augustine, Florida. Together we wondered it we had given him all the encouragement while he lived.

The group present was asked to serve as a team to comb Negro citizenry for financial aid, the effort to culminate on March 20, 1941. The same closing with a community dinner perhaps.

The three Negro insurance heads are to be contestants. They shall also be invited to attend our public demonistration or effort. With the singing of "Blessed are the Poor in Spirit", Mrs. Bethune turned the meeting over to the group for comment and expression.

Dr. Graham spoke thus: As he has been and felt he hopes to remain. He would feel himself less than a man to fail to support an institution in a community. Hoped things would open up so that the school would continue to build. He promised support and was excused.

Mrs. Mildred Peterson: An alumnus, speaking from same point promised to stand by. She expressed regret at the risignation of Mrs. Bethune, but promised full support.

Mr. Preston Peterson: Suggested that we organize or stage a financial drive to assist in a definite financial way.

Rev. R. Bentley: Enjoyed the speech by Mrs. Bethune. Expressed interest in Education and the people as a whole, but felt it a fine time to clear cloud in our minds (people of community) He spoke as a minister of a local church, a friend and a student in the college.

Question:

"Is it true that the workers of the college should be members of the college church?"

Answered by Mrs. Bethune thus:

"Just as Bethune Cookman College has been going, it will always go."

This answer satisfied. Organization was further urged by Rev.

Bently and Dr. Slack, who thought an organization similar to the Community Chest Drive or Red Cross would be the ideal.

Mrs. Carr, Campbell Street Elementary School Principal moved to organize group into a committee to go out for funds to culminate about the third week in march.

Seconded: by Mr. Lee, Automobilist.

Dr. Slack: moved that Rev. Bentley be chairman.

Mrs. Minnie Littleton seconded the same. The vote was carried.

Officers and committees needed for such an organization were discussed.

Officers decided were:

1. Chairman
2. Vice chairman
3. Secretary
4. Treasury.

Mrs. M. Hawkins was nominated for vice chairman. She suggest a man who would have more time for contacts. The suggestion was accepted and Dr. Slack was elected Vice chairman. Olivia Hampton elected secretary and Rev. Sumner as treasurer, with Messrs Brown and Saxon to serve as publicity people.

Chairman Bentley was given power for detailed organization. The following persons were either appointed, named or volunteered to serve as chairmen in the following named streets and districts.

In exhhange for gifts, Mrs. Bonner and Mrs. Peterson asked that something be worked out in the form of a tag or envelop. Mr. Mitchell spoke to this and suggested with others that there is the psychological effect to be respected in such a relation or transaction.

At this point, Mr. Saxon suggested that a ways and means committee be named to work out details. They are:

Mr. Saxon - Chairman with

Mr. Ben Mitchell

Mrs. M. Peterson

Mrs. Bonner

Mr. Whitehead. This committee to stop a few minutes after the meeting to decide on details.

Mrs. Carr asked the possibility of raising funds through entertainment not agreed upon b y a ways and means committee. As result, chairman were advised to raise funds as they sit fit. A tag day was also suggested by Mrs. Carr.

Mr. Mitchell advanced the idea that B. C. C. serves the country. He spoke of nearby out of town connections. He advised that we stretch out. The same suggestion was agreed and acted upon. More detailed organization followed:

Mrs. Clara Wallace was assigned - New Smyrna.

Mr. Curby Minor - Ormond.

Mr. Lee suggested that the named districts not confine our activities, but that we would serve both in and out of assigned districts where our individual contacts would be more effective than the assigned worker. The suggest was accepted.

Mrs. Petersons suggested that Mr Crane of the Ritz Theatre be asked for a night. Mr. Mitchell volunteered to make the contact.

Rev. Sumner: Spoke of a balance in the Treasury of the Citizen's Fund. He asked permission to use same as a part of his contribution.

Mr. Saxon suggested

that the left-over fund be used for expense or overhead for the entire organization. No definite decision was reached.

Chairman: Suggested that letters be sent to principals and Ministers everywhere soliciting their interesl. This letter to carry the signature of Mrs. Bethune. The idea was accepted as good.

BETHUNE-COOKMAN'S
SPECIAL SPRING DRIVE
CLOSES WITH COLORFUL BANQUET

The efforts of Bethune-Cookman's students, faculty, community and state friends, for annual maintenance funds, culminated Thursday evening when financial reports were made at an Annual Community Banquet held in the College Auditorium. A large group of citizens, representing every Negro church, civic, social and fraternal organization of Daytona Beach, were present for the event, demonstrating anew their confidence in the program of the local college through material expressions of aid toward its maintenance. A total of $1,791.06 was reported in cash contributions from individuals and groups. Although this total is some eight hundred dollars below that reported at the close of the 1941 Drive, it represents the result of even greater effort and sacrifice in consideration of local material conditions and current national unrest. President Mary McLeod Bethune, despite ill health, remained in thecity to be present at the Banquet.

Contributions ranging from twenty-five cents, fifty cents and one dollar to one hundred dollars, were reported by the following individuals and organizations: Dr. E. A. Graham, Mrs. Maggie L. The inovation of local "Tag Day" for the College this year helped to swell the total which came from student-faculty efforts.

The College wishes to express deep gratitude to every individual or group of inviduals who made the Spring Drive a success and pledges the continuance of its service for community betterment.

The Banquet which closed the Drive was successful because of the valuable service of Mrs. Clara Rogers, chairman of ticket sales and table reservations, Attorney D. W. Student Teacher Rally folder

February 4, 1941.

Mr. James Irvin,
President of the School Aid Club,
Moore Academy,
Dade City, Florida.

Dear Mr. Irvin:

The ANNUAL STUDENT-TEACHER RALLY at Bethune-Cookman College this year assumes a most important position in the Schedule of Events here - because the School is so desperately in need of funds.

This Rally, which is sponsored each year by faculty and students, in an effort to help meet daily maintenance needs, was inaugurated many years ago. Through this medium, teachers and students try to "help themselves" in gratitude for the efforts of Mrs. Bethune and the other friends who are largely responsible for the maintenance of Bethune-Cookman. Students realize that their fees paid are only a fractional part of the cost of their training here and in sharing the expense through this special effort, they show their appreciation for their opportunities.

During this year we have found it very hard to secure funds for maintenance, hence the Student-Teacher Rally is being carried through with great enthusiasm on the part of the boys and girls. We were advised that your Club is most generous in helping worthy Causes and we are appealing to you for some help toward this Rally effort. The credit for your donation will be given to any individual student or student group that you may name. Or, if you desire, it will serve to swell the Rally total.

Please know that we shall be deeply grateful for your consideration and help.

Sincerely yours,

BETHUNE-COOKMAN COLLEGE,

Bertha L. Mitchell,
Secretary-Treasurer.

Miss Brown,

Miss Clay has suggested - and I think it is a fine suggestion - that we have a Table at the Banquet for the Student Rally Club Leaders, including those whose efforts have brought the largest amounts to the report. Miss Clay feels that to have them to be at the dinner will be a great incentive to similar efforts next year. She wishes to sit with them, of course. There are sixteen of these students. With Miss Clay, that makes a table for seventeen. This means one place less at the Faculty table.

The A. K. A. 's wish to have their little table for 5 near a light socket, in order that they may attach their insignia lamp. I think the old round dining tables used in the auditorium at the Spring Fete might be set up beautifully for these small groups of 5 - - one might be on one side of the auditorium and one on the other, at approximately the central part of the room, near the walls.

Bertha L. Mitchell.

★

AN EDUCATIONAL INSTITUTION

A CENTER FOR COMMUNITY LEADERSHIP

A BUILDER OF INTERRACIAL GOODWILL

AN OASIS IN THE EDUCATIONAL DESERT FOR NEGROES

★

"ENTER TO LEARN—DEPART TO SERVE"

AN OASIS!—

That is what Bethune-Cookman College is for Negroes in Florida.

Like an oasis it is cloistered in stately palm trees and surrounded by hibiscus hedges.

But even more like an oasis, it offers a place to drink—from the fountain of knowledge—in a section of the country and to a people desperately in need of its offerings.

Bethune-Cookman College is within reach of 100,000 Negroes. It is accredited by the Southern Association of Colleges for Junior College and for Senior College teacher training. But more than that to its 600 students, its 1,800 graduates, and to the community at large, it is a real center of community leadership. In a state with 450,000 Negroes, it offers a leadership in Christian education that is much needed in a day like this. Its graduates are carrying to rural and urban communities the Christian ideals and tradition of the school.

In addition to academic training, Bethune-Cookman offers as part of its regular curriculum those practical and cultural courses that are fundamental in the building of a rounded citizen. Its philosophy of education is the training of head and hand and heart, producing Christian leaders, teachers, dietitians, home makers, and workers in the several practical fields of life.

Bethune-Cookman College began humbly in a dump heap. It was founded in 1904 on the faith, the determination, the vision and the entire wordly possession of its present President, Mary McLeod Bethune. A rented cabin, $1.50, and some soap boxes were its assets. Five little girls, thirsting for knowledge, were the first to walk through its doors.

Through a directing influence that flowed from the heart and the head, and with the aid and cooperation of many friends, Bethune-Cookman has grown from its meagre beginning to an institution with fourteen modern buildings, all unencumbered, situated on a beautiful campus of 32 acres, with a faculty and staff of 32. Its growth attests the confidence it has earned in the eyes of educational foundations and friends. Today, it occupies a position of educational leadership in its section, is an interracial center of good-will, and an institute for good citizenship.

To maintain the position Bethune-Cookman now occupies in the lives of thousands of Negroes and in the community and area it serves, and to continue meeting the increasing standards of education, requires more money than Bethune-Cookman can produce from its own resources—more than the amount with which it is now endowed. Bethune-Cookman students cannot pay fully for their education. Its urgent and immediate needs are set forth on the back of this pamphlet.

Gifts and contributions made to Bethune-Cookman College are investments in the education of Negro youth in the deep South, which bring high returns in improved human lives.

COMMUNITY DRIVE FOR BETHUNE-COOKMAN CLOSES APRIL 21st -

Daytona Beach, Florida.
April 16, 1943.

A Community-Wide Program and Tea, to be held in the Dining Hall of Bethune-Cookman College, on Wednesday evening, April 21, 1943, at 8:30 o'clock, will mark the close of the Annual Community Drive for funds for this Institution.

Each year the Spring Drive is sponsored by local churches and organized groups representing every phase of life and work among Negro people. This year the closing activity will take unique form, in that these Community groups will combine their powers of entertainment to produce an interesting program, as well as their efforts to raise funds for the maintenance of the College. Greetings, readings, recitations and musical selections will be presented by representatives of the various Community groups. The College will cooperate with the Drive leaders in the service of the Tea. Despite the fact that food rationing prevents the service of the usual Community Dinner or Banquet, it is expected that this unusual program and more informal repast will be welcomed by a large number of friends.

The Community organization has as its chairman Mr. B. W. Smith, District Manager of Atlanta Life Insurance Company. Rev. George O. Sumner, pastor of New Mount Zion Baptist Church, is treasurer and Miss Olivia Hampton is secretary. Mr. George Carr is director of publicity. Groups under their appointed leaders have been at work for some weeks, attempting to secure the strong interest and material support of the entire community for this institution which is an integral part of the community. Final reports of these efforts will form the climax of the program on Wednesday evening.

Various members of groups will appear at the Churches indicated below, on Sunday, April 18, to urge record-breaking participation of all who can possibly be present, in this concluding activity on April 21st.

Allen Chapel A. M. E. Church - - - - Mrs. Stocking and Rev. Anderson

Mount Zion Baptist Church - - - - Mrs. J. C. Harris and Rev. Sumner

Mount Bethel Baptist Church - - - Mrs. Whitehead and Mr. Keys
C. M. E. Church - - - - - - - - - - Mr. B. W. Smith and
, Pastor

Other churches of the city, with their pastors and members, will also stress this closing date and activity, in their Sunday services.

Tickets for the Community Program and Tea may be secured from the local Drive officers, the church or group leaders or the College office.

c) Organize Bethune-Cookman faculty and delegate certain teachers to help get Auditorium ready and set up for the occasion. Have long tables set up, as for a Bazaar Dinner, with plenty of flowers and greens. Mrs. Hunt, Mrs. Bond, Mrs. deRamus might function well in this particular.

d) Have chairman of Local Drive, with his official staff work out a Community program that will be representative of the various groups, or some of them, with brief musical numbers. College chorus and Mrs. Hacker to function also. Tea, salad and sandwiches might be served at same time program is in progress. Seek for informality. After tea, reports and compilation.

2 - Send out letters, over signature of local Chairman, acquainting Group chairman of the change of date for closing activity - from April 23rd to 21st. Chairman also states that he is meeting Ministerial alliance and will make this announcement. Announcement also to be made on Ritz Screen, of culminating program, through local newspaper (April 18th) and through Times-Union (April 16th and 18th).

3 - Vitally important that a final meeting of the local Drive chairman be held this week, for the purpose of final stimulation. Many, no doubt, will be present at Silver Leaf Charity Club Tea, to be held in our Auditorium Thursday evening, April 15th. Even if Chairman or some officer of the Local Drive organization approaches group chairmen individually - if meeting is impossible - this will help. IT IS IMPORTANT THAT STRONG ANNOUNCEMENTS BE MADE BY CHURCH REPRESENTATIVES IN THEIR CHURCHES on April 18th

MR. AND MRS. H. A. SHAVER	500.00	WAR BOND

The marvellous contribution of a $500.00 war bond by Mr. and Mrs. Shaver brought unusual patriotic inspiration and stimulus to the Drive effort.

The citizens of Clearwater, in Pinellas County, headed by Mrs. Hattie S. Basley, made a total of $35.00 to the Drive.

Friends from all sections of the State joined with Daytona Beach friends in making the 1943 Drive the greatest in the history of the College. The President and faculty have expressed deep appreciation for this help toward current operating expenses

THREE THOUSAND DOLLARS TOTAL OF COMMUNITY DRIVE
FOR BETHUNE-COOKMAN

Amidst enthusiasm and a high spirit of rivalry, the Negro people of Daytona Beach gathered in the Dining Hall of Bethune-Cookman College on Wednesday evening, to demonstrate their full cooperation with the program of this Institution and to report their donations for its maintenance.

Local activity in support of the Drive, among Churches, Clubs, Civic and Fraternal Organizations, Schools and Individuals had reached a high pitch during the last days before the culminating activity. All groups were working to receive the beautiful Daytona Book Store trophy, which is annually awarded the group raising the largest amount in the Annual Drive.

The Community Organization, steered by Mr. B.W. Smith, Chairman, Mrs. D.B. Harris, Vice-Chairman, Rev. George O. Sumner, Treasurer, Mr. George Carr in charge of Publicity and Miss Olivia Hampton, Secretary, used every possible method to give last-minute stimulus to all participating and working groups. The college added its stimulus to the Student-Faculty Rally, headed by Miss Dorothy Garland, Instructor in Physical Education. This Rally is traditionally a part of the Annual Community Effort, and the scope of this particular activity extends to alumni and citizens' groups in various sections of the State.

The effectiveness of the total effort was dramatically demonstrated in the Final Reports made by group representatives at the special Community Program on Wednesday evening. The total proceeds of the Drive were $3,065.68 almost double the amount raised in 1942. The trophy was won and presented to Campbell Street High School whose report was $241.00.

President James A. Colston expressed deep appreciation to the Community and friends of the College for this tangible evidence of their Good-Will and support. A detailed list of group and individual doners follows:

Bethune-Cookman College Raises $3000 In Annual Community Drive

Amidst enthusiasm and a high spirit of rivalry, the negro people of Daytona Beach gathered in the dining hall of Bethune-Cookman college on Wednesday evening, to demonstrate their full cooperation with the program of the institution and to report their donations for its maintenance.

Local activity in support of the drive, among churches, clubs, civic and fraternal organizations, schools and individuals had reached a high pitch during the last days before the culminating activity. All groups were working to receive the beautiful Daytona Book store trophy, which is annually awarded to the group raising the largest amount in the drive.

The community organization, steered by B. W. Smith, chairman, Mrs. D. B. Harris, vice-chairman, Rev. George O. Sumner, George Carr in charge of publicity and Miss Olivia Hampton, secretary, used every possible method to give last-minute stimulus to all participating and working groups. The college added its stimulus to the student-faculty rally, headed by Miss Dorothy Garland, instructor in physical education. This rally is traditionally a part of the annual community effort. The scope of this particular activity extends to alumni and citizens' groups in various sections of the state.

The effectiveness of the total effort was dramatically demonstrated in the final reports made by group representatives Wednesday night. The total proceeds of the drive were $3,065, almost double the amount raised in 1942. The trophy was won and presented to Campbell street high school whose report was $241.
